

THE ROMANIAN POLICE
EMBASSY OF THE UNITED STATES BUCHAREST, ROMANIA
AND
THE SOCIETY FOR THE POLICING OF CYBERSPACE (POLCYB)
JOINTLY PRESENT:
THE POLICING CYBERSPACE INTERNATIONAL CONFERENCE 2012
21st to 25th May, 2012 (Monday to Friday)
BUCHAREST, ROMANIA

CONFERENCE THEME
***“MANAGING CYBERCRIME AND THE TECHNOLOGY CONUNDRUM:
DEVELOPING EFFECTIVE ACTION PLANS THROUGH GLOBAL COLLABORATION.”***

CONFERENCE INFORMATION

PRELIMINARY TOPICS & ISSUES

Panel discussions will incorporate regional and global perspectives on collaborative approaches to cybercrime prevention, detection, and response. Our International Subject Matter Experts will use recent Case Studies to illustrate unique challenges, what worked, what didn't, and lessons learned. Panel discussions will include, but not limited to, the following panel themes:

1. Cybercrime Threats from Eastern Europe and Other Regions: Global Perspectives on Cybercrime Trends, Threats, Proactive Measures, Assessment, and Management.
2. Risk Assessment and Management of Enterprise Security.
3. Legal, Investigative, and Policy Challenges posed by Cloud Computing, Virtualization, Social Networking, Mobile Technologies, and other Evolving Technologies.
4. Measures for Content Protection and Combating Counterfeit Products: What Worked and What Didn't? Implications of such measures upon Prevention and Disruption of Economic Crime and Organized Crime, Critical Infrastructure Protection, Public Health and Safety.
5. Frameworks for Inter-governmental Collaboration in Cybercrime Prevention and Response: Overview of Current, and Developing, efforts to enhance Global Collaboration.
6. International Collaboration in Disrupting Economic Crime and Organized Crime: Case Studies and Lessons Learned.
7. Collaborative Public Education and Outreach Strategies for Cybercrime Prevention.
8. Advanced Persistent Threats” (APT): Prevention and Incident Response.
9. “Semantic Web”: Implications of Machine-generated Data-integration upon Cybercrime Investigation, Prosecution and Training.
10. Collaboration Against On-line Abuse of Children.

FACILITATED SPECIAL INTEREST GROUP MEETINGS

Goal: To discuss practical recommendations and processes for developing viable Action Plans which could be modified to address international and regional needs.

Format: Facilitated discussions will be conducted in small focus groups after panel discussions. Each group will be comprised of international Conference participants from criminal justice, government agencies, and industry to promote international and inter-disciplinary discussions.

BENEFITS FOR DELEGATES

- ◆ Prominent, international practitioners from law enforcement / criminal justice, governmental, and corporate security sectors will come together at ***The POLCYB International Conference 2012***. Our International Panelists will provide interactive, dynamic, and thought-provoking discussions based on practical experiences of international collaboration, as well as inter-jurisdictional challenges.
- ◆ Delegates will learn about implications of Advancing Technologies, Cybercrime Trends, Threats, and most of all, Innovative Approaches to meet your challenges in cybercrime prevention and responses. They will also gain new knowledge on initiatives that worked, and some that did not.
- ◆ The ***Facilitated Special Interest Group Meetings*** provide valuable face-to-face opportunities for international delegates to share different perspectives, approaches, explore emerging issues, and propose effective recommendations and follow-up action plans.
- ◆ You will learn something at this Conference to use “back in the office” to help meet your daily challenges posed by the ever-changing cybercrime environment.

WHO SHOULD ATTEND?

International Practitioners in Corporate Security, Law Enforcement/Criminal Justice, Government Agencies, including, but not limited to:

- ◆ Senior / Executive Management / CIO's / CSO's / CISO's / CTO's
- ◆ Judges, Crown Counsels, Corporate Legal Counsels
- ◆ Investigators / Trainers
- ◆ Human Resource
- ◆ Risk Management / Loss Recovery / Compliance Officers
- ◆ Policy Makers / Policy Analysts
- ◆ Forensic Accountants

About POLCYB:

POLCYB is an international not-for-profit organization, incorporated in Vancouver, Canada, in 1999.

The key objective of POLCYB is to enhance global partnerships with private and public sectors to prevent, detect, and combat cybercrime.

POLCYB also provides public education to promote public awareness of information security.
